*Speaker:*

**Lisa Novak, Psy.D.**

**Illuminate Psychological Assessments**

Dr. Novak will address the challenges parents face in seeking support for their children when the possibilities seem endless. 504 plans vs. IEPs in school? Psychotherapy, psychiatry, treatment programs, and more in the private sector? She will lay out the various interventions available in our community to help parents determine the most appropriate course of action to best support their own child.

**Still to come... December 5, 2019**  
**How to Talk to Teens About Suicide**
