

Solving Climate Change - A Solution We Can All Like

Wednesday
Oct. 21st, 2020
7:00 PM

Glenview Community Church
Speakers' Forum
Sanctuary (In-person) & Zoom
1000 Elm Street, Glenview, IL 60025

Climate Change has been called 'NOT the BIGGEST challenge of OUR time, but, the BIGGEST challenge of ALL time'. The topic can be confusing to many. Often, there is uncertainty of what Climate Change is, what are its effects and what can be done about it.

Learn about a simple, comprehensive,
Climate Solution that is:

- Rapidly growing in public, bi-partisan support
- Endorsed by 27 Nobel economics laureates
- Many view as the most effective climate policy
- Will speed a transition to renewable energy
- Considered as being a fair and just policy
- Provides for economic growth and jobs

Many lawmakers, economists and scientists agree there is a policy that is the best first step for fighting Climate Change. Go to www.gccucc.org to register for in-person or Zoom participation. This is a free event for all.
