

# OUR NORTHERN NEIGHBORS

## What Canadians Think of America and Americans

A portrait of Professor Ian Hurd, a man with short brown hair and a light blue button-down shirt, looking directly at the camera. The background of the entire poster features a stylized, textured American flag with stars and stripes in red, white, and blue.

The Glenview Community Church Speakers' Forum welcomes Professor Ian Hurd, Professor of Political Science and the Director of the Weinberg College Center for International and Area Studies at Northwestern University. He will share interesting information about the view of the U.S. and Americans from our neighbors to the north, how Canadians feel about their role in the world, and the Canadian perspective on current affairs, which may not be as similar to ours as one may think.
