

Center for Talent Development

Preview Day - Explore, Discover, Excel!

Join us for an exclusive Preview Day at CTD to learn how we empower gifted and talented students through innovative, research-based programs.

What to Expect:

- Program Overview: Explore our diverse offerings for gifted learners.
- Research Insights: See how the latest studies shape our approach.
- Courses in Action: Learn more about how CTD fosters critical thinking and creativity.
- Teacher Panel: Hear from expert instructors about their methods and impact.

Don't miss this opportunity to engage with our community and learn how CTD nurtures talent!

Cost: FREE
